

### **Children's Therapy Clinic Opening: Speech Language Pathologist**

Are you looking to be part of a team that is passionate about making a difference not only in the lives of the children and families that we serve but also in our community? Due to expansion Reach Services is looking for a Full Time Speech Language Pathologist for their Pediatric Therapy Clinic. Our clinic serves children with a variety of diagnosis and age. Our clinic offers Physical, Occupational, and Speech Therapy with a highly experienced staff. PRN/Part Time/Full Time options available. Enjoy a great working environment, flexible schedule and a mentorship program along with competitive pay.

Reach Services is a Not For Profit Agency with programs including a Pediatric Therapy Clinic, Veterans Services, Independent Living, and an Adaptive Lending Library. At Reach Services our mission is to improve the life and well-being of low and moderately income individuals with special needs and their families through advocacy, outreach, and supportive services.

#### Requirements:

- ASHA Certified Speech Language Pathologist
- Current Indiana State License
- Previous Pediatric Experience Preferred
- Previous experience working with feeding and swallowing difficulties a plus or an interest in working with this population and a willingness to be further trained.
