

## **Children's Therapy Clinic Opening: Physical Therapist**

Are you looking to be part of a team that is passionate about making a difference not only in the lives of the children and families that we serve but also in our community? Due to expansion Reach Services is looking for a Physical Therapist for their Pediatric Therapy Clinic. Our clinic serves children of all ages with a variety of diagnosis. Our clinic offers Physical, Occupational, and Speech Therapy with a highly experienced staff. We are in search of someone to fill a full-time position. Enjoy a great working environment, flexible schedule and a mentorship program along with competitive pay.

Reach Services is a Not For Profit Agency with programs including a Pediatric Therapy Clinic, Veterans Services, Independent Living, and an Adaptive Lending Library. At Reach Services our mission is to improve the life and well-being of low and moderate income individuals with special needs and their families through advocacy, outreach, and supportive services.

Requirements:

- Graduate from accredited Physical Therapy School
- Current Indiana State License
- Previous Pediatric experience preferred
