

Children's Therapy Clinic Opening: Occupational Therapist

Are you looking to be a part of a great team that is passionate about serving children and families within the Wabash Valley? Reach Services is looking for an Occupational Therapist to serve children with a variety of diagnoses and ages for their Pediatric Therapy Clinic. Our clinic offers physical, occupational, and speech therapy with an experienced and energetic staff! PRN/Part Time/Full Time options are available. Enjoy a great working environment, flexible schedule, and a mentorship program along with competitive pay.

Reach Services is a Not-for-profit organization with programs including a Pediatric Therapy Clinic, Veterans Services, Independent Living, and an Adaptive Lending Library. At Reach Services, our mission is to improve the life and well-being of low and moderately income individuals with special needs and their families through advocacy, outreach, and supportive services.

Job Duties Include:

- Evaluation and treatment of clients age birth to 18
- Creating home exercise plans and completing caregiver education
- Documentation of skilled services

Requirements:

- Graduate from accredited Occupational Therapy program
- Current Indiana State License
- Previous pediatric experience preferred
